

Water Service Disrupted by Broken Main

A broken water main disrupted water service and flooded a large portion of the streets Tuesday morning. The break in the main was located on Second Avenue between 12th and 13th streets and maintenance men in the department quickly got on the job.

Tuesday afternoon City Secretary Dudley Bayne said the break resulted in quite a water loss but did not harm otherwise. The water was cut off in order to get the piece of pipe replaced as quickly as possible. However, this did not prevent water from leaking into the hole the workmen dug because the valve seemed to be faulty and allowed the water to leak.

In order to keep the water down to a minimum the workmen had a portable pump and this pumped the water from the hole in which they were working. The broken line was noticed early Tuesday morning where water was coming from the ground for no apparent reason.

By mid-afternoon Tuesday workmen had a large hole dug about the broken piece of pipe. They stated they were confident of getting the new piece of pipe installed that afternoon and getting water service resumed to those who were cut off.

There was no explanation for the piece of pipe bursting. Dudley Bayne said the only reason he could see for the break was that the pipe which broke was just a faulty piece of pipe.

G. W. Cox Has Heavy Fire Loss Monday Morning

Fire was discovered in the G. W. Cox home, 1905 Fourth Avenue, Monday morning which did a great amount of damage to the large home and furniture.

Preliminary damage to the home was estimated yesterday as \$4,500 to the house and \$2,000 to the furniture. Adjustors will be here today to complete the estimate.

The fire was discovered in the large living room in the west part of the house and the flame rapidly spread to all sections of the home. Had the fire department been a few minutes late in arriving at the home it was estimated that the flame would have been beyond control due to the dry condition of the lumber in the home.

Methodist Students Publish Bulletin

Eugene Hill is the editor of a monthly publication published by the Methodist students at West Texas State College. At present it is being run off through the use of a mimeograph machine at the Methodist Student Center. Ordinary letter size paper is used and there is enough art work cleverly done to make the sheet interesting. The content is varied enough to interest most of the students.

Other members of the staff are Barbara Ritchey, assistant editor; Irene Ritchey, typist; Francis Tottley, artist; Jo Ann Thomson, columnist; Emma Jane Brown, director of publicity; Rev. Jim T. Pickens, director of student work.

Each month a guest editorial writer adds to the publication. Rev. Herschel L. Thurston was the guest writer this month.

Six Persons Hurt in Automobile Mishap

Six local people were injured Monday morning when the car in which they were riding ran into a truck driven by a Mexican a short distance south of town. The local people who are hurt, none seriously, were school teachers of Happy who live in Canyon.

The mishap occurred about 8:15 on Highway 87 where the city is digging a ditch across the road to run a new sewer line. The driver of the truck reported he pulled across the road to miss the ditch at the same time that the car of local people started to pass.

Extensive damage was reported on the car and the six passengers were taken to Neblett Hospital. Late Monday afternoon only one of the crash victims remained in the hospital.

Larry Prater Has Grand Champion Junior Holstein at Dallas State Fair

Larry Prater came away from the Dallas State Fair this year with the Grand Champion Junior Holstein. This was not a new experience in the life of the young member of the Future Farmers Association. He showed the Grand Champion last year at the State Fair.

Foster Parker, another member of the local F. F. A., also had a winner. He won 11th place in the middleweight division. There were 26 competitors in this event.

Other activities of the local chapter of the F. F. A. included a recent trip to the national convention in Kansas City. Those making the trip were Donnie Stroup, Tommy Middleton, and Tom Myers. They left one week ago Sunday and returned Friday.

Donnie Stroup's expenses were paid by the Santa Fe Railroad Co. and expenses of Middleton and Myers were paid by the local chapter. Their expenses were paid with the exception of meals which they furnished.

Harrell Showed His Pictures of Hunting Trip in Africa

Newton Harrell was in charge of the Rotary Club luncheon program Tuesday, showing the motion pictures which were taken during the trip which he and Mrs. Harrell and their son, Ed, took to Africa this fall.

The pictures start in New York and continue through the trip of the Harrell family until they leave Honolulu for home. The entire trip around the world was made by plane.

The picture runs nearly an hour long, and most of it is devoted to the hunt for game taken in Africa.

Four new members were welcomed into the club, Lt. Col. R. H. Lumry, Gerald C. Green, John A. Gillis, Lowell H. Harrison.

Visitors were: Mrs. E. D. Harrell, Mrs. E. J. Cundiff, W. C. Black, Lewis Stoelzing, all of Canyon; Lt. McBride, J. Ray Henry, Tom Cartwright, John L. McCarty, J. Francis Brown, J. H. Brown, W. H. Torrey, Henry Hertner, Bill Gigg, Bill Dooley, F. E. Habgood, Dr. W. B. Stevenson, Bill Stevenson, Ross Rogers, Art Cox, Guy Carlander, Bill DeFoe, John Oaks, all of Amarillo; J. H. Patton, Earl Hendricks, Berry Jacobsen, Harvey McCauley, all of Hereford.

Fire Department Is Busy in Grass Fires

The volunteer firemen got an early morning workout Tuesday when the siren sounded about 7 o'clock. The flame was a grass fire on the Arch Hunsley place a short distance north of town. Only a short time was required to extinguish the blaze.

During the past few weeks there have been several grass fires in the vicinity. None has done extensive damage but the loss of grass is negligible where cattle are being fed. Widespread drought kept native grass from being so abundant as usual and prevented many feed crops from producing. As a result there is a terrific shortage of cattle feed both in native pasture land and in cultivated feeds.

Although local fires have not caused extensive damage to the existing supply of native grass, there is still a great need for caution about prairie fire prevention. One of the bothersome factors concerning this kind of fire is the limited supply of water the firemen can take along to fight such a blaze. Where there are no fireplugs the men have only the amount of water carried by the trucks.

150 Absentee Ballots Are Cast in County

Randall county voters are very active and from all indications most of the 6,000 qualified voters in the county will go to the polls on Nov. 4. Up to yesterday there had been 150 absentee ballots cast. A number of ballots have been mailed to men in service in Korea and have not yet been returned to County Clerk T. H. Lair.

Voters have until October 31st in order to cast their ballots.

Those who can do so are requested to go to the office of Mr. Lair in Canyon to vote. One of the deputies from the Clerk's office will go to the Tax Assessor's office in South Amarillo in order that the voters may have an opportunity to vote without coming to Canyon.

Control of Water Studied by Board

Early this month the Randall County water board held a meeting to discuss some of the problems they face in the near future. One of those problems is that of irrigation well permits and spacing between wells.

This particular body of men has been in existence about one year. It is the Randall County section of the High Plains Water Conservation District.

The primary purpose of the water board is to conserve our underground water supply; get as much benefit from it as possible and also to re-charge the underground water supply every time that is possible.

Under the original law the county was allowed three committees but more recently that has been changed to five men. The headquarters of the district is in Lubbock. Tom McFarland, former manager of the Hereford Chamber of Commerce, is chairman.

During the year the water board has been in existence only a small amount of action has been taken because of a lawsuit concerning the authority of the water board and the underground water in Martin County. Their board is a great deal like the Randall County board and the case is to go to the Supreme Court of Texas some time this month. The future course of the Randall County water board is highly dependent upon the outcome of this test case.

The board did make a few recent decisions. Among them was the fact that beginning early in 1953 all of the large wells drilled for irrigation purposes would have to have a county permit. In order for the permit to be issued at least three of the five board members would have to approve it.

However, action of the board is not the final word. If the board refuses the permit the land owner may appeal his case to the district board of directors. In some instances the engineer of the district can be called in to settle the dispute.

Among the recent proposals that have been made are those of a minimum distance between wells and also the distance from the well to the property line.

Mrs. Lee Foster Says Size of Crowd Highly Exaggerated

Mrs. Lee Foster was in Dallas Saturday when Governor Stevenson spoke. She says that newspaper reports, especially those printed in the Amarillo News, were incorrect as to the size of the crowd and the enthusiasm.

The Governor received little applause except when he came to the platform. Eisenhower banners were predominate in the crowd, and people flocked around the Eisenhower truck on the grounds while few asked for Stevenson buttons.

There were not more than 10,000 persons in the crowd, as compared with 25,000 who had heard General Eisenhower.

Sample Ballot In This Issue Of Canyon News

A sample ballot is printed on other page of this issue of The News. Not all of the ballot appears in the paper this week due to the fact that the ballot has eight columns, and the paper is only seven column wide.

The last column, designated for Write-In Candidates, is not printed.

Also in order to conserve space, the blank spaces were omitted and the constitutional amendments are printed in this space. All of the candidates for commissioners and justices of the peace are bulked in this issue, whereas these are separated into precincts on the Official Ballot. This ballot is printed on paper 17 x 22 inches, which is some ballot for elections.

When you go to the polls and are bothered about marking your ballot, just ask one of the judges and he will give you assistance.

New Line Installed By Gas Company

The West Texas Gas Company recently announced the completion of a 16-inch line across Palo Duro Creek east of town. This line was built to replace a 10-inch line and will be used in case of emergency when the service in the regular line carrying the gas is interrupted.

The original line was laid in 1927 and it is a 15-inch line. The men who put this line in realized the seriousness of a mishap that would halt service and two men designed and supervised the construction of a 6-inch suspension bridge upstream from the 15-inch line crossing.

There was need for this spare line in 1936 when the Palo Duro Club dam broke and the 15-inch line was put out of order. The 6-inch line saved the day by keeping the gas service in operation.

Later a 10-inch line was laid across the bed of the creek and was used up to the present time. More recently an increase in the line capacity made it necessary for the company to install a larger line. This need was met with the recently completed line that was laid across the creek.

Cattle in County Tuberculous Free

Word has been received from the Bureau of Animal Industry and Livestock Sanitary Commission of Texas that Randall County has been declared a modified tuberculous-free accredited area by the United States Commissioner of Agriculture and Livestock Sanitary Commission of Texas Cooperating.

A certificate has been received in the office of the county agent, John Brazzil. This certificate certifies that no tubercular cattle were found in a recent check of herds in Randall County. The certificate is good for a period of three years.

Brazzil said that Randall County has had no trouble with tuberculosis in cattle for a long period of years. However, he added that it has not been long since this was a terrible disease especially in dairy cattle. When testing was first started in the nation a big percentage of the cattle tested were positive reactors.

Then a test and slaughter method of eradication was started and tuberculosis almost disappeared in this country. When the veterinarian from the Bureau of Animal Industry tested cattle from Randall County he injected serum in the cattle and made the test 72 hours later. No reactors were found. It is hoped in the future that such programs as this can be used to eradicate other serious diseases.

Cooperation Asked In Scrap Paper Drive Saturday by Scouts

A scrap paper drive will be held by the local Boy Scouts Saturday, October 25. Scoutmaster Stuart Condron said it would be a concentrated drive. The Scouts have a place to dispose of the paper and anyone having scrap paper that they would like to dispose of should tie the paper in bundles and leave the bundles on their front porch. The Scouts will be by Saturday and pick it up.

"In some instances," Condron said, "it may be impossible for the people to have the paper tied into bundles." "In this position they should call either the Scoutmaster or his assistant, Edd Pettitt before Saturday." By calling early the Scout leaders will have time to send some of the Scouts around before Saturday to tie the scrap paper in bundles.

Marine Band Has a Large Library of Music Approved by Past Presidents

Conductor Lt. Col. W. F. Santelmann of Marine Band

Whether it's music to fill a special request of the President of the United States or a complete orchestration of the national anthem of Pakistan—the United States Marine Band Library has it.

The extensiveness of its library reflects the versatility of the Marine Band, which will present two concerts at West Texas State College on October 29. M. J. Newman, director of the Buffalo Band, sponsoring organization, has announced that tickets for the matinee performance at 3 p. m. have already been sold, but that seats for the evening concert at 8 p. m. are plentiful. Costing \$1.50 and \$2.00, evening performance tickets may be reserved through Newman at the WT Band House.

The favorite music of every president since John Adams is neatly catalogued and comprises only a small part of the finest band library in the world. There are more than 20,000 compositions on file, including the national anthem of every country, and the Marine Band is never at a loss to provide appropriate music for any occasion.

Rich in marches, overtures, and symphonic selections, the Marine library includes all the classical, semi-classical, and dance selections that have attained popularity during the past century. Compositions in the band's repertoire range from "Pop Goes the Weasel" to the heaviest works of Richard Wagner. Conducted by Lt. Col. William F. Santelmann, the Marine Band is known to millions of Americans through its three weekly coast-to-coast radio broadcasts, its frequent television appearances, and its concerts in the nation's capital. The annual tours, which started under the direction of John Philip Sousa in 1891, have afforded millions of Americans to see and hear the world-famous band.

Since the 1880's, when Sousa was leader of the band, each composition has had its own catalogue number and has been kept in a heavy pasteboard folio bearing the title and number. The library also maintains a program listing of every engagement at which a selection was played.

Musician Theodore Roth, Band librarian during most of his 27 years of service, finds some of the old German compositions the easiest to read, and some of the poorest from musical quality those of French engravers.

Soap Contribution Asked by Students

On Wednesday, October 28, the Canyon Christian Youth Council is sponsoring a "Tricks of Treats." They are requesting the "treat" be soap which will be sent abroad. The young people will call at the homes between 7 and 8:30 o'clock and will have an identification card. Please have your soap ready and give it to only those with identification.

All youth connected with CCYC will meet at The Little House of Fellowship at 7 o'clock. They will be divided into groups to cover the different parts of town. Following the "tricks of treats" collection, refreshments will be served.

always maintained very high standards, and even in the days of gas light, Marine Bandsman stated a preference for music published in this country because of facility in reading it.

The average music lover who listens to the seemingly inexhaustive repertoire of the United States Marine Band doesn't stop to wonder where and how the Band assembles its varied programs. It's hard to realize that these scores have been accumulated from all over the world since the Band was brought into being in 1798 by President John Adams.

Prepared by three hours of rehearsal daily, and with its own arrangers and copyists on hand when alterations in compositions are necessary, the United States Marine Band has its own situation well in hand.

Christmas Party Is Planned by C of C

Plans are already under way for a big Christmas party for Canyon. The Retail Merchants Committee of the Canyon Chamber of Commerce that planned the party was only recently appointed. The party this committee has planned is scheduled to take place just prior to the Christmas holidays.

The Christmas party is to be held in conjunction with a Trades Day program which will continue throughout the first three weeks of December. Some form of drawing with prizes being given away will also be observed each Saturday in December before Christmas.

Members of the committee that planned the holiday activities are Gene Davis, chairman, Jack Jennings, Bernard Warren, Clay Cooper, J. A. Young, and Bob Clark.

Final Rites for Mrs. Agnes Smith Today

Funeral services for Mrs. Agnes Collins Smith will be conducted this afternoon at 2 o'clock in the Polk Street Methodist Church in Amarillo. Officiating at the final rites for the 73-year-old woman will be Dr. Eugene Slater, pastor. He will be assisted by Rev. Hubert Thomson, pastor of the San Jacinto Methodist Church.

Mrs. Smith is a former resident of Canyon and for 18 years was supervisor of Randall and Cousins Hall of West Texas State College. She died Saturday in the City Hospital, Akron, Ohio. Death came as a result of a heart attack which she suffered earlier in the week. At the time of her death she was visiting her son, Richard Dean, of Elvria, Ohio.

The deceased retired from her work with the college in 1945. She was a member of the Polk Street Methodist Church, the Delta Kappa Gamma sorority, and Los Costura sewing club.

Survivors include two sons, three daughters, 10 grandchildren, and three great-grandchildren.

Burial was in Llano cemetery under the direction of Boxwell Brothers Funeral Home in Amarillo.

Loyalty Group Fails to Take the Independent Voters Seriously

There are still a lot of people in Texas who think that they must remain loyal to the Democratic party or else be forever damned. They place the future of the Democratic party above the welfare of the nation, regardless of where the Democrats are leading us.

They fail to read history.

The nation would never have elected Grover Cleveland to the presidency without Republican votes. Woodrow Wilson would have been defeated had it not been for Republican voters who supported him. Even Franklin D. Roosevelt owes his election to the independent Republican voters who placed the welfare of the nation above the welfare of their party.

Following the party is one thing; voting for the best qualified candidate is another thing. If all of the states in the Union had imposed such an iron clad obligation of party loyalty upon their voters as the Democratic party of Texas seeks to impose, the nation would still be in hands of the Republicans.

The only reason that we happen to have more Democrats in the nation today than there are Republicans is due to the fact that the so-called Democratic party has been in power for 20 years, and few young voters have any conception of what the GOP stands for, except the terrible picture which is painted of the party by the Democratic spellbinders.

Those who are preaching party above the welfare of the nation should live in a state in which there is a balance of power between the two parties. They would soon learn that this balance of power makes for better government. If the Democrats win, they must get this mass of independent voters; and likewise, if the Republicans win in November, they must get the independent voters.

Being a candidate in a one party state is the easiest way to win; but being a candidate in a strong two party state leads to better government.

Newspaper Support Is Looked Upon With Critical Suspicion

We read that an overwhelming number of newspapers are supporting Eisenhower rather than Stevenson for the presidency. Eisenhower might win the race in spite of this support.

For some reason there has been a popular suspicion that the moneybags of Wall Street control the press of America. While newspaper people have opposed such an idea for a long, long while, the idea still sticks.

Just now the Republicans for Eisenhower are sending out more material and using more advertising in the country press than ever before. The Democrats have ignored this means of presenting Stevenson to the voters. Perhaps the Democrats here in Texas are taking the situation for granted and believe that the people will vote Democratic in spite of all the GOP propaganda. Maybe they will, and maybe they won't; YOU, Mr. and Mrs. Voter will hold the key to the situation.

At any rate, judging from editorial utterances it would seem that the press of Texas are better than 50% in favor of the General. They express fear of another four years of Truman, since the Governor seems to be Harry's boy in the race.

There is just one more issue of *The Canyon News* before the election. If either party wishes to get a story over to the voters of Randall county, better dig up the cash and decorate the mahogany with a big advertisement for the last issue before the election.

The Canyon News Made Error In Overlooking National Debt

An error in last week's issue of *The Canyon News* was caught by a number of readers. We overlooked one item in this present day prosperity when the dollar has diminished to 53 cents in value.

We did not forget but we overlooked the national debt of more than \$1800 for every individual in this national debt has been piled up under the Roosevelt-Truman administrations. During World War I the national debt was increased only \$222.92 per capita. During the Coolidge-Harding administrations this debt was reduced \$59.99 per capita.

Roosevelt and Truman started on the wildest spending spree the world has ever seen. The national debt must either be paid, or the debt repudiated. A debt is a debt regardless to whom it is owed, or how it will be paid. The dollar has been reduced in value to only 53 cents; the nation is off the gold standard; since World War II, Truman is seeing how much money he can give away.

Just when will YOU be able to pay your share of this national debt of more than \$1800?

Highway Commission Was Not Consistent in Money Demands

A few days ago we received a statement from the State Highway Commission in which it was pointed out that heavy trucks were tearing up the roads to such an extent that more money must be made available for future work.

Every citizen who has observed these heavy trucks knows that this is the fact. Yet, let it be remembered that it was only a few short years ago that the State Highway Commission allowed one of its members, not an engineer, to appear before the legislature asking for an increase in the load limit. His statement was that the highways of Texas were built to carry heavier loads.

If and when the big truck operators ask for an increase in the load, will the State Highway Department endorse the movement, or will it be sensible and point out the destruction which is now going on because of the heavily loaded trucks?

Let's be sensible!

Just Endorsement For Good Man

Douglas Meador, publisher of the *Matador Tribune* and mayor of Matador, was named at the Dallas State Fair as the Newspaper Man of the Year. This endorsement came as a result of the long service of Meador and his ability as a newspaper publisher.

The Newsman took delight in furnishing part of the background for the citation which was given Meador by the Sigma Delta Chi.

One of the nice things about fall is that it usually produces the first roast pork and beef stew in several months.

Criticism Dreamland Cemetery Support Is 50 Years Too Late

Randall county has four cemeteries and may have another established in a few weeks. These cemeteries are Dreamland, which has served the people of Randall County for more than 50 years; the Catholic cemetery at Umbarger; the Lutheran cemetery east of Canyon; Llano Cemetery just south of the county boundary, which serves Amarillo; and now a new memorial cemetery is being opened between Canyon and Amarillo.

The North Randall County Civic Club takes exception to money which is being spent by the county on Dreamland Cemetery. The club asked last week that the county dispose of its interest in Dreamland and refrain from further appropriations to this burial ground.

From the very start of Dreamland, this has been the property of Randall county. It was organized and operated under the laws of Texas by the Commissioners Court. The group which opposes further maintenance upkeep of the cemetery found nothing illegal in the transaction, but considered it a bad policy. The only objection is that they raised the question of county operations about 50 years too late.

While small fees are charged for lots in Dreamland, Llano has high charges. This is the only way by which Llano could be operated.

We are of the opinion that the objections are not valid and lack of understanding caused the objection.

No, Indeed, Senator Robert Kerr Did Not Bury Governor Shivers

Senator Kerr of Oklahoma sprung a surprise on his audience at Waco the other night by asking them to engage in silent prayer. He announced that it was over the remains of Governor Shivers. The crowd roared its approval.

This was only a political trick, which worked well with the assembled audience. The crowd was for Stevenson-Sparkman, regardless of the fate of Texas under such a combined administration.

Just after Governor Shivers announced his intention to vote for General Eisenhower, we asked a number of people from over the State what they thought of this declaration. All of them agreed that the Governor had as much right to vote as he pleased as any private citizen. When he placed the welfare of his State and his nation above the welfare of his party, the action of Shivers was highly praised by the group opposed to the Stevenson ticket.

The fact that Shivers and Price Daniel had the nerve to oppose the Democratic nominees in the general election is their own affair. Senator Kerr does not run the political affairs of Texas. If the Senator wants to remain loyal to the Truman-Stevenson-Sparkman ticket, that is his business. But if Governor Shivers wants to vote for General Eisenhower, that is his business and none of the business of Kerr or anyone else.

Americans Treat Candidates for The Presidency Very Rough

Americans are sure rough on our political candidates.

We place them on a pedestal, and then start throwing brickbats.

If one happens to make a miscue, or a statement with which we do not agree, away we go, flying off the handle and threatening him with everlasting curses and destruction.

A few years ago the candidates for president stayed at home, made a few speeches, which were printed in full by the daily press.

Today candidates are on the march. They ride the train by night and fly by day. The radio carries their voices. The commentators make them say things which were never intended. The newspapers and magazines carry pictures of the candidates, and print reams about them.

We treat them rough. No wonder candidates break down unless carefully guarded. No wonder candidates must have physicians with them all of the time who carefully guard their health.

Candidates for president need the wisdom of a Solomon and the physical strength of a Dempsey in order to stand up to the physical strain.

Write-in Votes Are Legal, and Always Have Been in Texas

It is legal to write-in candidates, says the Attorney General.

This is one of the silliest propositions ever put up to the state's lawyers. Some voters are fearful that their votes will not be counted unless they vote the Democratic ticket straight; others are fearful that if they vote the Republican ticket the country will go to hades in a big way.

Therefore, if you cannot vote for ANY CANDIDATE on ANY TICKET on the official ballot, just turn to column eight and write in the name of the person for whom you wish to vote.

It matters not if you wish to vote for John Doe for president, or Bill Smith for justice of the peace, you can vote as you please, and your vote will be counted.

As we recently pointed out, the official ballot, with its eight columns, is a messy affair.

If the legislative economy committee would have made provisions to save the counties of exas a million dollars worth of wasted paper and labor, instead of messing around with so many other subjects, they would be more greatly appreciated).

Revised Holy Bible Will Soon Become Standard Translation

The Canyon News is among thousands of unfortunate dealers who have not received copies of the Revised Bible. It will be about 90 days, according to the publishers, before we get this issue. The first million Bibles were bought up before publication date. We have had the Revised New Testament on hand, but not the complete Bible.

The Bible has been received by students throughout the land. It is more readable, and has much plainer language. A large group of scholars worked on this edition to take out all of the King James errors of translation.

We predict that within ten years this Revised edition will be the only Bible in general use in our churches.

Elementary Meet Set October 25

West Texas State College will again be host October 25 to the annual conference for elementary teachers and principals of the Panhandle. Dr. Ruth Lowes, professor of elementary education, has announced.

Consultant for the day's meeting will be Dr. A. Sterl Artley, professor of education and director of the Child Study Clinic at the University of Missouri. Topic for the conference is "How Can I Be a Better Teacher of Reading?"

Dr. Artley, who holds the A.B. and M.Ed. degrees from the University of Pittsburgh and the Ph.D. from the Pennsylvania State College, has had ten years of public school teaching experience. Before going to the University of Missouri in 1946, Dr. Artley was supervisor of the Reading Clinic at Pennsylvania State, and a teacher of psychology at Stephens College.

The consultant has done wide research in the field of reading, and is author and co-author of a number of books and articles on reading. CURIOSITY PAYS

Osceola, Ind. — Hearing a crash outside their home, Mr. and Mrs. Richard G. Eril looked out their living room window, grabbed their two children and raced for the back door. They escaped just ahead of a trailer-truck that careened 100 feet across their front yard and plowed through the living room and kitchen. Four persons were hurt in the truck and car, which had collided.

Grapefruit was so named because it sometimes grows in bunches.

Annual English Workshop Meeting To Be Held On Campus Saturday

The teaching of grammar and composition at the three levels of junior high, senior high, and college will receive critical study here at West Texas State College Saturday as the annual English Workshop program of District IX, Texas State Teachers Association, is held.

Featured speaker at a luncheon closing the half-day session is Dr. George Vardaman, University of Denver Speech and Communications professor who has charge of the school's business and professional speech and adult communications activities.

English teachers from the approximately 25 Panhandle counties making up the district are expected for the session which opens at 9:30 a. m. in the Branding Iron Theatre. Presiding for the general session will be Miss Helen White

structure will be approximately \$7,500 and it will occupy the area just south of the college cafeteria and will include the book store and post office.

The gals were in uniform on Regents visited for the dedication program to act as hostesses and guides. Again tomorrow the girls will be in uniform to direct traffic at the annual Homecoming barbecue.

Aim of the club is the betterment of West Texas State and higher spirit in the student body, and the young group has already made itself worthwhile to the school as a whole.

Pledges for the fall semester will be chosen at the end of the Homecoming celebration, it was announced this week. The club decided to handle rushees in this manner in order to reduce the amount of confusion which will exist in trying to plan regular meetings during the festivities which accompany Homecoming each year.

Officers for the fall semester are Beverly Beck, president, Canyon senior, Clara Darling, Pampa junior, vice-president, Dorothy Brown, Canyon junior, secretary-treasurer, and pledge captain is Mary Louise Manning, Lockney senior.

Other members of the club are Louise Boyles, Donna Brown, Carmaleta Campbell, Norma Cooper, Mary Ann Dawdy, Peggy Dunn, Bonnie Hughes, Eula Fae Lowe, Sheila Malone, and Erlina Phillips. Wanda Robason, Berylene Kutchinski, June Stewart, and Dee Ann Wright round out the present membership.

Vaughn Vandergriff is sponsor of the club.

GOOD BUSINESS AHEAD

According to a banker, an insurance company economist, and a Government official, another very prosperous year is coming up. Predictions are for: business activity higher than in 1952; continued full employment; \$13,000,000,000 more available for consumers to spend; prices leveling off and maybe dropping slightly.

PRICE INDEX DOWN

Sizable drops in the prices for livestock, corn, oats, eggs, and some fresh fruits and vegetables during the latter part of September pulled Government-measured wholesale prices down for the fifth straight week. The Bureau of Labor Statistics, index for the week was 111.1 per cent of the 1947-49 average.

Thirty-three years generally constitutes a generation.

Buy, Build, Live in Canyon!

Moore, assistant professor at WT, who is college division chairman. Dr. James P. Cornette, president of WT, will welcome delegates.

Talks on the teaching of grammar and composition in junior high schools will be made by Mrs. Ruth Wooten, Dimmitt, and Mrs. Julia Van Bebber, Dumas. A study of teaching methods in senior high schools will be made by Everett Sample, Amarillo, and Pat Sullivan, Hereford. Ray Small, Amarillo College, will discuss teaching of composition and grammar in college.

At a business session a college chairman, a secretary, and three members of a six-member council will be elected.

Miss Gertrude Golladay, White Deer, high school chairman, will preside at the luncheon, to be held in the college cafeteria at 12:30. Dr. Vardaman will speak on "Something Old Has Been Added."

Life Membership Is Given Lem Pounds

Former deputy sheriff Lem Pounds received a pleasant surprise via the mailman Wednesday. The surprise was a lifelong membership in the New Mexico's Sheriff and Chief of Police Association.

New Mexico is the home state of Pounds and for a number of years he was a peace officer in the vicinity of Clayton. When the sheriff's convention was held this year in Clayton Pounds was the only charter member of the organization present. His card is the first issued for lifelong membership.

Pounds said that he had been a member of the Association ever since it was first organized even though he had not lived in New Mexico all this time. In fact he was one of the men to help organize the association back in 1933.

The lawman also said that when he was in Clayton for the convention this past summer he started to pay his dues in the association. At that time he said that he was told to wait and he may have a happy surprise coming. He had no idea that the surprise was the lifelong membership.

Scouts and Cubs Encourage Voting

Many people believe today there are too many voters who don't take their freedom seriously enough. Too many people simply forget about voting although radio stations and newspapers are constantly reminding them to go to the polls and exercise their right to vote.

Soon there will be another reminder for the people of Canyon to go to the polls on election day. This reminder will be in the form of the Boy Scouts and Cub Scouts who will be carrying small placards of the Liberty Bell from door to door. The attractive placard is a to, "Vote as you think," but to "think when you vote."

All of the leaders of the Boy Scouts, Explorers, and Cub Scouts ask that the public receive these boys in a congenial manner when they come around making their calls.

DIES IN ROLLER

Belleville, N. J. — Gerhard Korte, of Clifton, 50-year-old leather worker, caught his hand in the viselike grip of a roller, was drawn into the huge machine press and crushed to death, before horrified co-workers at the Federal Leather Company could turn the machine off.

FEDERAL PAYROLL

Civilian employment in the Federal Government decreased by 9,032 in August as compared with July, from a total of 2,599,123, to 2,590,091. This was the first decrease by the military since June, 1950, when the Korean war began.

LIQUOR SALES OFF

Sales of hard liquors, in the January-July period of this year, were down 8 per cent, according to estimates of the Census Bureau, while sales of wine for the same period were 7 per cent greater than for the same period of 1951.

GMC TRUCKS

GASOLINE—4,800 GVW to 90,000 GVW
DIESEL—15,500 GVW to 100,000 GVW

HERE'S the new gasoline-powered GMC Model 472-30A—the tractor that will haul more payload within the 45,000 GVW limit than any ever built, by as much as 1,200 EXTRA pounds of cargo in some cases!

Fueled and ready for the road, this revolutionary new highway tractor weighs a trim 8,000 pounds—the result of new engineering techniques, developed by GMC, which eliminate load-robbing "dead weight" from truck design.

A good example is this GMC's revolutionary new "302" valve-in-head engine—pound for pound the mightiest

in truck history. It achieves a record-breaking 7.2 to 1 high-compression ratio from regular fuel, produces 145 horsepower—yet weighs as much as 500 pounds less than competitive engines!

It has all the features you want in a great truck. Standard equipment includes full air brakes and husky rear axle rated to accommodate 10,000/20 tires. Available in conventional and cab-over-engine models in a variety of wheelbases.

It's waiting—ready to haul a bigger payload than you've ever been able to put behind your tractor before!

Approaching Marriage of Alice Ruth Carr to Don Standley Is Announced

ALICE RUTH CARR

The announcement of the engagement and approaching marriage of Alice Ruth Carr of Friona to Donald Edward Standley of Canyon was made at a tea Sunday in the Friona Women's Clubhouse. The bride-elect is the daughter of Mr. and Mrs. H. T. Carr, Sr., of Friona. Mr. Standley is the son of Mr. and Mrs. Fred M. Standley, Sr., of Canyon. Wedding vows will be exchanged November 15 in Friona at the First Baptist Church.

More than 100 guests called during the receiving hours. Mrs. Dillie Kelley greeted the guests. In the receiving line were Mrs. Carr, mother of the honoree; the bride-elect, Mrs. Standley, mother of the bridegroom-elect, Miss Helen Benita Carr, Mrs. Fred Standley, Jr., Clovis, N. M., Miss Ann Gillis, Plainview, Miss Jo Parker, Canyon, and Miss Lita Dean Springer, Hereford.

Mrs. DeWayne Cleveland, Canyon, presided at the guest register. Others in the house party were Mesdames H. F. Brewer, Lyndon Sanders, Dalton Caffey, Roy T. Slagle, and Bert Chitwood, all of Friona.

The bride-elect's chosen colors, gold and white, were used in table appointments and room decorations. The lace covered serving table had a centerpiece of Spider chrysanthemums and gilded fern arranged with white satin bows. Gilded white candles in crystal holders flanked the arrangement. Inside three golden bells which formed a part of the centerpiece were found the names of the couple with the wedding date.

White chrysanthemums were used elsewhere in the receiving room. Carnation corsages were worn by members of the house party. Miss Springer entertained with piano selections.

Miss Carr, a 1952 graduate of West Texas State College, is a teacher in the Plainview Junior High School.

Out of town guests other than those in the house party were Mesdames W. C. Black, S. L. Ingram, John A. Gillis, L. D. Winn, Guy Harp, Alfred Bellah, C. L. Thomson, Robert Black, L. F. Sheffy, John Jennings, Boyce Colwell, Burney Slack, Jack Livesay, Frank Barrett, and J. T. Harp, all of Canyon.

ANTHONY HOME SCENE OF MURRAY S. S. CLASS PARTY

Tuesday evening the lovely country home of Mr. and Mrs. Barney Anthony was the setting for the monthly birthday party of the Murray Bible Class of the First Methodist Church.

After the guests had inspected the spacious and attractively furnished home they played "42."

"The Lord's Supper" plates were presented to Mr. and Mrs. Anthony as reminders of friendship of the class in their new home and to Rev. and Mrs. H. L. Thurston as best wishes from the class in their new assignment.

At the supper hour delicious baked beans and chili, salad, pickles, onions, pumpkin and pecan pie, and coffee were served by the co-hostesses. September birthday members of the class, Mesdames Anthony, Oliver Grabbe, Alfred Hamblen, L. E. Gum, Otis Parker, Art Roberts, H. G. Persons, Erwin Cantrell, Bryan McDonald, and Delbert Lowes.

Those present were Messers, and Mesdames Anthony, Oliver Grabbe, L. E. Gum, Art Roberts, Bryan McDonald, Erwin Cantrell, C. W. Samples, L. S. Johnston, Elmer Oberst, O. A. Smith, Floyd Moore, T. V. Crounse, Herschel Thurston, Liege Frieze, Kenneth Erwin, J. T. Fletcher, Mutt Myers, Delbert Lowes, E. G. Gough, Bud Parker, Dick Ball, H. G. Persons, Frank Begert, J. J. Walker, Clem Dugan.

Mesdames C. A. Murray, James H. Scott, T. W. Collins, Gladys Haines, Alfred Hamblen, Otis Parker, L. B. Penick, L. M. Cousins, and Misses Elizabeth Cox and Bessie Young.

Smith - Close Nuptial Vows Read Sunday

Miss Laura Smith, daughter of Mr. and Mrs. H. A. Smith of Amarillo, became the bride of A. B. Darrell L. Close, son of Mr. and Mrs. Melvin Close of Spearman, in the sanctuary of the Assembly of God Church Sunday morning, Oct. 19, at 11:30 o'clock.

The bride is the sister of Vester Lee Smith of Canyon and the sister-in-law of the former Billie McAtee, granddaughter of Mr. and Mrs. W. H. McAtee.

Rev. Buddy Pettit read the single ring service at the altar of the sanctuary with the couple standing under an arch of evergreen flanked by a basket of yellow mums.

Mrs. Fay Kittler, sister of the bride, and her brother, Cpl. J. G. Smith, were the only attendants to the bride and bridegroom. Cpl. Smith is on furlough from service in Germany.

The traditional wedding marches were played by Miss Shirley Faye Peppard. Mrs. Jean Tipperary sang "Because" before the exchange of vows.

The bride was attired in a winter blue dress with black accessories.

The couple is at home in Amarillo where the bridegroom is temporarily stationed at Amarillo Air Force Base.

Buffalo Masquers Present First Play

"Among other things Texas brags about are better and bigger one-act plays," said W. A. Moore of the speech department at West Texas State when introducing the play "Angelica," the first production this season of the Buffalo Masquers last night in the Branding Iron Theatre. The title role was played by Rae June Jones who did a superb job of being a talented 13-year-old piano player who was supporting her father and mother.

The play was written by Babette Hughes and the student director was Cal Foster. It was Cal's first directing assignment and from the results he received there is promise of even greater future success in this field for him.

All players turned in fine performances in a half-hour production which had something of an O'Henry twist. Ruth Harmon did a fine job as the spoiled mother of the talented Angelica. Joe Hooper was excellent as the wishy-washy father of the talented young pianist and Beryl West carried off the part of an evangelist in fine fashion. Although Lynda Hooper appeared in the production for only a few moments as a maid, she was convincing.

The next production of the Masquers will be directed by Fred Salmons and is scheduled for Nov. 11. This play is written by Tennessee Williams and the title is "The Long Goodbye."

COACH TYER, FORMERLY COACHED 3 YEARS at FRIONA

TYER

Not in recent political history has there been an election like the one coming up on November 4.

Texans are accustomed to fighting like brothers in the primaries — and then forgetting the whole thing as far as the general election is concerned.

But look at us now!

On the Adlai Stevenson side, for example, are old-time Democrats Sam Rayburn, Lyndon Johnson, Tom Connally, and others.

On the Ike Eisenhower side are old-time Democrats Coke Stevenson, Allan Shivers, Claud Gilmer, etc.

Speaking of brothers — one of the Roosevelts (John) will address an Eisenhower rally at Lufkin on Friday night, October 24.

Elliott agrees with John that Ike is the man. Franklin D. Jr., and James are Stevenson rooters.

Well, a lot of Texans have had an opportunity to look at both candidates.

Eisenhower came through, was loudly cheered, and pounded on the tidelands issue.

Stevenson came through, was loudly cheered, and countered that his opposition has been spreading some false propaganda about the tidelands.

Out of all this hullabaloo, one fact is discernable: more Texans are interested in the presidential race this year than ever before.

There is going to be a big vote: maybe a record vote, and that's good. The more votes you have, the closer you come to having a Democracy.

At the same time, there are going to be some in Texas who, while vastly interested in the election, will go fishing on election day.

They'll remain away from the polls because, while disliking the Democratic candidate, they are reluctant to vote for the candidate of any other party — and that's bad.

They ought to vote their convictions because that's the only way to determine the will of the people. In a democracy such as ours, the will of the people is, or ought to be, supreme. And you can't determine the will of the people if the voters don't vote.

Anyway — here's another prediction that I think it is safe to make: the Republican candidate is going to get more votes than at any time in recent history.

I say that without advocating the cause of either candidate. But the fact is, and other writers have already recorded it, that the very appearance of Stevenson in Texas indicates that the Democrats believe they need to cultivate this state quite a bit.

It is not every election year that we see presidential candidates in Texas.

The politicians on both sides have customarily thought that Texas is "in the bag" for the Democratic Party.

Republicans stayed away because they thought a trip to Texas would be futile.

Democrats stayed away because they thought it would be needless to come here, inasmuch as Texas would vote Democratic anyway.

This year it is different. Ike came because the Republicans think they have a chance to carry Texas this year. Adlai came because the Democrats think there is a chance they might lose Texas this year.

As to the election itself — that's a tough one to predict. Most of the polls put Eisenhower in the lead.

But you'll recall how wrong the pollsters were the last time.

T. E. L. CLASS FIRST BAPTIST CHURCH MEETS IN DUNN HOME

Mrs. C. W. Dunn was hostess to 24 members of the T. E. L. class of the First Baptist Church this week with Mrs. C. H. Stratton as co-hostess. Mrs. H. C. Gentry, class president, presided over the meeting which was opened with a prayer by Mrs. J. T. Cartrite.

Mrs. L. H. Crawford brought a helpful devotional from the second chapter of First Corinthians. Mrs. J. I. Payton led in prayer. Several items of business were then transacted and Mrs. W. T. Davis conducted the program.

The hostesses served refreshments to Mesdames J. M. Brietling, T. D. Burgess, Cartrite, G. C. Cole, Henry Cone, Harvey Cook, Crawford, Davis, J. C. Dowd, R. E. Gill, Gentry, G. B. Heath, Johnson, R. H. Long, W. H. Sparks, S. L. Terry, A. A. Whitfield, R. E. Prichard, J. H. Barrett, Elma Ledbetter, and Miss Bertha Crow.

BROWNIE TROOP 12 MEETS

Brownie Troop 12 met Monday for their regular meeting. The president called the meeting to order and the secretary read the minutes of the last meeting.

Definite plans were made for a Halloween party to be held Friday, October 31, from 5 to 7 o'clock.

Songs were sung and the meeting was adjourned.

Truman Laughery, son of Mrs. Bernice Laughery, has arrived home with a discharge from the Navy.

2. What is its meaning?
3. Where may it be found?

Bible Verse Answers

1. David, the Psalmist.
2. Sin pollutes personality, contaminates character and corrupts conduct. The creation of a clean heart is one sure remedy for sin, for out of the heart are the issues of life.
3. Psalm 51: 10.

Think naught a trifle, though it small appear;
Small sands the mountain, moments make the year. —Young

BARBECUE FIRE COSTLY

Centralia, Ill. — The Pitfire, barbecuing the meat for a Freeburg volunteer firemen's barbecue, burned down the shed. Volunteers doused the fire and saved the food, but the smokehouse sustained an \$1,800 loss.

Millions to get rise in social security in October.

The Shift's To SHAMROCK

SHAMROCK TRIPLE ACTION HEAVY DUTY MOTOR OIL

Yes, Shamrock's getting the play — and for a good reason: LUBRICATING ABILITY is what you want and what you buy when you change oil. Shamrock heavy duty oil has proved its ability. Anti-oxidant and anti-corrosive additives toughen the oil film — high detergent elements take out dirt particles which prevent oil from clinging to the cylinder walls. Result — faster, more complete lubrication, less wear. This Fall change early and change to Shamrock.

COMPANY OF CADETS

Pictured here is one company of ROTC cadets who reported for the first formation of the year last Friday. The group pictured includes three platoons of 30 men each, members of the color guard and cadet officers. Three such units will comprise the WT battalion.

Corps Organized In Battalion; Lumry Names Cadet Officers

The military air is settling over West Texas State College's campus with the corps of cadets for the school's new Reserve Officers' Training Corps unit being organized by Lt. Col. Raymond H. Lumry, professor of military science and tactics.

Following regular Army organization, the 250 boys enrolled this fall form a battalion, which in turn is composed of three companies of three platoons each. Each platoon is further divided into three squads. The corps is made up of 233 first year basic students, eight second year basic, and seven first year advanced.

About half the corps has been fitted for uniforms, and Col. Lumry expects the balance to be completely outfitted by December. Students already are meeting drill periods, but regular field drills will not begin until all uniforms are issued.

Advanced students have been designated as Cadet Captains, with the various commands of Battalion Commander, Battalion Adjutant, and company commanders and executive officers being rotated during the fall semester. Permanent ranks will be assigned at the beginning of the second semester. Non-commissioned officer positions will be rotated similarly among the second year basic students, who have been designated cadet sergeants. Five cadet corporals serve as color guards.

Cadet captains are Eddie W. Austin, Plainview, Hayden Morgan, Tulia, LeMoin Patrick, Borger, Weims, Norman, Floydada, Albert Linger, Vega, John Oldham, Canyon, and Donald R. Perry, Haskell.

Sergeants are Robert Busted, Canyon, Walton Byrd, Amarillo, Kenneth Casey, Amarillo, Jimmy Cluck, Hart, Bill Duncan, Pampa, Walter R. McSpadden, Rankin, Jack Schwalm, Clovis, and Warren D. Spalding, Amarillo.

Corporals include El Dean Begert, Pampa, Roy K. Gladson, Lubbock, Eugene Hill, Canyon, Jimmy Jones, Amarillo, Fred Wortham, Canyon, Charles L. Chambless, Borger, Max Fowler, Snyder, Chas. M. Holt, Amarillo, Charles D. Rittenberry, Amarillo, and Standley D. Schaeffer, Canyon.

Tech Drill Team To Perform Here

An announcement from ROTC headquarters this week stated that Thursday, October 23, has been designated as "uniform day" for the West Texas State College ROTC Battalion. Plans now include a performance by the Sam Houston Rifles, crack drill team from the Texas Tech ROTC unit, on that day. Faculty and students are invited to attend the performance.

On that day the entire cadet corps will turn out in full uniform for the regularly scheduled drill formation for the first time.

Officers of the WT drill team were released earlier this week. They are Patrick DiMoin, president, Oth Miller, vice-president, Bob Benson, secretary, Jimmy Jones, treasurer, and Fred Rathjen, reporter. Drill commander is Cadet Captain Eddie W. Austin. The team is made up of approximately 32 men who will make their initial appearance later this fall.

REPEATS LECTURE

Cleveland, Ohio. — Returning home after making a fire-prevention address, Richard Mullaly, was informed by his wife that their 7-year-old son, Michael, while playing with matches, in his room, had burned a curtain, wall, floor, window and bed. Mullaly proceeded to repeat his fire-prevention address with his son as his audience.

Stuart, Fla. — Noel R. Raulerson, who died recently at the age of 103, left 322 descendants. Thirteen of his 17 children survived him. In addition, there were 110 grandchildren, 165 great-grandchildren, and 34 great-great-grandchildren.

Come gentlemen, we sit too long on trifles, And waste the time, which looks for other reveals. —Shakespeare.

Another Load Coming Up!

Washing is one of the household tasks that's never done. Even at the very moment that you have finished a wash, there's another load coming up as the children come in from a day of play.

With an automatic electric washer you can smile when you see "another load coming up," for once the clothes are in the washer, there's nothing left for you to do but flip a switch.

POLIO PEAK PASSED?

The Public Health Service believes that the peak in the polio epidemic which has been sweeping the nation has apparently passed. There were 3,538 new cases listed for the week ended September 27, compared with a corrected total of 4,191 for the previous week. New records were set for five straight weeks up to September 20, however.

MR. AND MRS. W. C. ROBERTS

Mr. and Mrs. W. C. Roberts quietly celebrated their 50 anniversary October 13. They were married near Coolidge in Limestone County October 13, 1902, and came to the Panhandle in 1906. They came to the Canyon vicinity in 1932. The couple have four children. They are: W. T. Roberts of Liberal, Kan.; C. J. Roberts of Amarillo; Mrs. Charles V. Conatser of Canyon, and J. H. Roberts of Fort Worth. The couple also has nine grandchildren, and five great-grandchildren.

Golden Anniversary Celebrated By Canyon Chapter Order of Eastern Star

On Thursday evening, October 16, the Canyon City Chapter No. 105, Order of the Eastern Star, celebrated the 50th anniversary of having received a charter from the Grand Chapter of the State of Texas.

Decorations of the Masonic Hall were carried out through the use of golden mums, dahlias and leaves with each station in the chapter being marked by attractive arrangements of flowers.

Approximately 75 members and guests joined with the officers in making a living circle around the enormous golden anniversary cake, and they sang "Happy Birthday Dear Chapter."

Mrs. Mildred Huff gave a vocal solo and Mrs. Lorenzo Wirt reviewed the history of the first 20 years of the Chapter.

Among those present were 20 members who had served in the capacity of Worthy Matron or Worthy Patron of the chapter. Out-of-town guests registered were Mrs. Dollie Nester of Palacios, mother of Dr. Charles R. Nester. Mrs. Sudie Beth Hancock, member of the executive board of the Grand Chapter of Texas who lives in Amarillo, and guests from Chapters in Amarillo and Merkel.

PALO DURO W. M. U. MEETS IN TEMPLE JARNAGIN HOME

The Palo Duro W. M. U. met at the home of Mrs. Temple Jarnagin on Thursday evening. Mrs. Clarence McBroom called the meeting to order. Mrs. Taft Reynolds led the opening prayer. After a short business meeting, Mrs. Orvil Luster brought the Bible study. She made an interesting talk on Michael, Abigail, and Bath-Sheba. They were the three wives of King David.

Refreshments were served to Mrs. T. C. Jones, Mrs. Reynolds, Mrs. Orvil Luster, Mrs. Lena Stockton, Mrs. McBroom, Mrs. Roy Lee Jones, Mrs. Winston Evans, Mrs. Bill Buchanan, Mrs. Mattie Elrod, Sharon and Willena Buchanan, Randy Jones, Jerry and Tommy Jarnagin, Orvil Ray Luster, and the hostess, Mrs. Jarnagin.

HIGHLAND H. D. CLUB ELECTS OFFICERS IN REGULAR SESSION

The Highland Home Demonstration Club met in the home of Mrs. R. C. Richerson.

Election of officers was the business of the day. Mrs. Earl Cox was elected president. Mrs. Elmer Mason continues as secretary and Mrs. Roy Lee Jones is council representative.

Delicious refreshments were served to Mrs. Elmer Mason, Mrs. Richerson, Mrs. Earl Cox, Mrs. T. C. Jones, Mrs. George Cook, Mrs. Roy Lee Jones, and the hostess, Mrs. R. C. Reeder.

FAIRVIEW 4-H CLUB STUDIES DRESSMAKING THURSDAY

The Fairview 4-H Club girls met in the home of Sue Caroline Danner Thursday, October 16. Miss Lou Ella Patterson, Home Demonstration Agent, led in a discussion of their present project, the making of a skirt.

Mrs. Joe Wise was chosen as the new sponsor.

Refreshments were served at the social hour to Mildred Bryan, Patsy Sykes, Pamela and Countess McNeil, Gracyne Devin, Sue Caroline Danner, and Miss Patterson.

Mr. and Mrs. Joe Baber spent Sunday in Dimmitt visiting with their daughter and son-in-law, Mr. and Mrs. A. W. Moody. Sarah Moody returned home with them.

CENTERVIEW H. D. CLUB MEETS IN GERRY WISE HOME FRIDAY

The Centerview Home Demonstration Club met Friday, October 17, at 2:30 p. m. in regular session with Gerry Wise as hostess.

Vivian Myers, president, called the meeting to order. Roll was called and minutes read by Madge Sutton.

In the election of officers for the year, Vivian Myers was re-elected president for a second term. Other officers elected were: Madge Sutton, vice-president; Gerry Wise, secretary-treasurer; Inez Shipman, reporter; Grace Schaeffer, council delegate.

Grace Schaeffer, Evelyn Shipman and Ora Evans were appointed by the president to plan the menu for Thanksgiving supper. The next meeting will be clothing achievement.

Cocoa and cookies were served to Vivian Myers, Grace Schaeffer, Madge Sutton, Evelyn Shipman, Colleen Schaeffer, Theo Wise, Laurie Brazil, Ora Evans, Inez Shipman, and the hostess.

On Wednesday, October 15, at 2:30 o'clock the club met with Theo Wise in a joint meeting with the Centerview Club being hostess to the West Side Club of Canyon for a bread show.

Eight different kinds of yeast breads were on display with excellent results. The recreation hour was under the direction of Ora Evans, who directed many enjoyable games. Miss Patterson gave a radio skit, aided by Jennie Burris on "Foods for Personality."

Doughnuts and coffee and cocoa were served to Miss Patterson, nine visiting West Side members and 11 Centerview members.

DEN 2 CUBS ENTERTAIN WITH PICNIC SATURDAY EVENING

Last Saturday evening the Cub Scouts of Den 2 entertained their families with a picnic at Camp Don Harrington. Get-acquainted games were played and the Cubs had plenty of guests to introduce.

Hamburgers were cooked on an old time cook stove. The picnic was closed with an impressive Cub Scout circle around the fire.

Johnny Shea led the flag ceremony. Parents present included: Mr. and Mrs. Dick Loudder, Mr. and Mrs. Kelly McGehee, Mr. and Mrs. E. W. Pettitt, Mr. and Mrs. Cecil O'Donald, and Mrs. R. V. Pennington.

Cub Scouts present were: Debs Harris, Dewight McGehee, Frankie Joe and Truett O'Donald, Phil Pennington, Eddie Pettitt, Johnny and Billy Shea, and Jerry Don Kinney.

Small children present were: Margaret Collins, Danny O'Donald, Gary L. Taylor, and Curt O'Donald.

Some of the hilarious games included the clothes pin relay in which the fathers participated, and the balloon kicking relay by the mothers. Success for the party was given to efficient committee work, according to Mrs. E. W. Pettitt, den mother.

Irene Angel spent from Thursday until Sunday with her sister, Mrs. Beulah Bell, in Albuquerque, New Mexico. Enroute home she spent Sunday night with Mr. and Mrs. John Pool and children in Vaughn, N. M.

Sunday dinner guests in the home of Mr. and Mrs. P. M. Wilson were Mr. and Mrs. Warren H. Wilson, Joyce, and Warren of Fritch, and Mr. and Mrs. C. E. Clark of Canyon.

"Old Stove Roundup" Opens With A Dinner by West Texas Gas Company

Next Monday is the official opening for the fourth annual "Old Stove Roundup" and it will be getting off to a colorful start here. The kick-off for the campaign got started with a steak dinner at the Cowboy Cafe Thursday evening, October 16.

John Hunter, head of the West Texas Gas Company here, acted as master of ceremonies, and the two principal speakers were B. F. McCarroll and W. H. Deardorf. Deardorf is one of the high officials of the West Texas Gas Company at Lubbock and McCarroll is head of the company's advertising department at Lubbock.

McCarroll explained the "Old Stove Roundup" would last five weeks. It begins officially Oct. 27 and extends through Nov. 29. He also displayed some of the gifts customers will receive who buy gas ranges during this time. They are all for the housewife and consist of such items as a plastic apron with the familiar blue flame insignia on it, a plastic bowl cover, a book of western style recipes. The latter was announced as a special gift for those buying the CP standard gas range.

One of the things pointed out was the importance of being friendly to customers. McCarroll said that the merchants should meet customers instead of letting the customers come all the way to the rear of the store seeking the merchant. Some of the ways other retailers are pushing gas ranges was also explained.

The gas company will help out in the advertising field. It was pointed out that during this fourth annual Old Stove Roundup the gas company would run approximately 5,000 inches of newspaper ads and sponsor about 1,000 radio spot announcements.

Those enjoying delicious steaks at the Cowboy Cafe were Jimmy Latimore, Silas Hart, Toni Russi, Dick Terry, C. L. Thompson, and E. M. Dowse, O. W. Parker, Chester Reynolds, Jim Boyce, A. M. Cunningham, Mr. and Mrs. Keene McDonald of Happy, Gladys Haines, and Lawrence Hunnicutt.

Dwight Eisenhower realized \$115,000 less than the lowest estimate of what he was supposed to have received from his book, "Crusade in Europe." The minimum reported figure had been \$750,000. He got \$635,000, of which taxes took \$158,750.

The President is a little annoyed by growing criticism of U. S. abroad from countries that have had large dollar aid. It is dawning upon high officials that gifts of money do not always buy friendships.

At least one indictment growing out of the Communist issue, recommended by the Justice Department staff, is being held up until after the election. Pressure is intense to try to keep this issue quiet.

Thomas E. Dewey, New York Governor and twice the Republican candidate for President, is privately confident that the 45 electoral votes of New York State will go for Eisenhower this year. Dewey's effective organization is working hard.

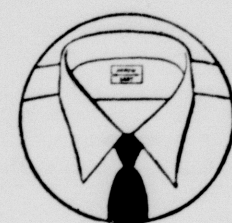

Adlai Stevenson is told, even by some Southern leaders who oppose him, that he will get the electoral vote of the South this year. Dwight Eisenhower has gambled on cracking the Solid South by campaigning but is told he should not be surprised if he fails to get electoral votes there.

Campaign strategists for the Democrats, in their private appraisals, are crossing off all farm States from Ohio to Colorado, except for Illinois and Minnesota. Farmers are found in large numbers to be moving to the Republican side.

THEY DO!

No, they didn't run out of shotguns. They always use swords at a military wedding.

Democratic strategy in closing days of the campaign is to hold the South and Border States, except for Maryland, then concentrate on New York, Pennsylvania and Illinois to provide the votes needed to win. Any other States picked up are to be a cushion.

New Memorial Park Will Be Established Between Canyon and Amarillo

Eighty acres of the old Baker farm 5 1/2 miles north of Canyon has been bought by Norman Anderson & Associates who are developing a Memorial Park. Grading of the roads was started Monday. The above pictures a memorial statuary which will be 40 feet wide and 10 feet high in the first Garden to be developed.

R. A. Lavender, who has been with the company for two years, is manager and has called upon a number of Canyon citizens. The Anderson group has developed 20 Parks in Texas. The newest park

was started in Pampa. The firm has developed another park in this area at Plainview.

President Truman already is receiving offers, involving pay in big figures, to write and lecture after leaving the White House. Mr. Truman now is well-fixed financially. Margaret has demonstrated her ability to make a living, and there is no special pressure to get out and work hard after next January 20. The first thing the President wants is a trip to Europe, where he is very popular.

Memphis Takes 7-0 Tilt from Eagles In Game Marked by Many Penalties

Numerous fumbles and penalties were seen in Friday night's football game that the Eagles dropped to the Memphis Cyclones 7 to 0. There were eight fumbles and 19 penalties. The Eagles recovered one fumble out of five and the Cyclones recovered two out of three.

Both sides made TDs that were called back. The only score that counted came late in the final quarter when Duane Miller, 165-pound back for Memphis, carried the ball over his right tackle for a touchdown. He also carried the extra point to give the Cyclones their seven points.

In the second period of play Harvey Kennedy took a short pass and raced 80 yards for a touchdown but he stepped out of bounds on the Eagle 45 yard line and so the TD did not count. The Eagle touchdown which was recalled came in the third quarter.

After a series of penalties the Eagles were on their own 15 yard line and Tommy Middleton took the ball and faded back for a pass. The players scattered so Middleton dashed straight down the field 85

yards for the touchdown but a red flag was down. The play was called back and the Eagles were penalized five yards for being off-sides.

The Eagles made more yardage rushing than the Cyclones but the Memphis team clicked on passes where the Eagles failed. The Memphis team also had another advantage over the Eagles and that was in speed.

At present the Eagles have won two games, tied one and dropped two this season. Their next game is a non-conference tilt with a very strong Phillips Blackhawk team on October 24 at Buffalo Stadium.

It is the conclusion of top U. S. strategists that if this country gave Communists what they want in a deal on prisoners of war they then would find other reasons for avoiding a truce. War in Korea, as now fought, is set down as an operation that offers net advantages to world Communism.

Stephen Mitchell, Chairman of the Democratic National Committee, ran into acute difficulties in raising money needed for the Stevenson campaign. A secret meeting held in Springfield led to a decision that stress had to be put on optimism, and a feel of victory, in order to encourage larger contributions from businessmen who have dealings with Government.

Spread of Rabies In Part of Texas During Fall Weather

Two widely separated areas in Texas face an upsurge in rabies between now and June, State Health Officer Geo. W. Cox predicts. The disease could easily spread to other vulnerable areas.

One focus is in Travis, Bastrop, Fayette, and Hays Counties in Central Texas. The other is in Panola, Shelby, San Augustine Counties in East Texas. Individual instances of mad foxes have been occurring in both these sections throughout the year.

Blanco, Comal, Guadalupe, and Gonzales Counties are directly in the path of the southwestern spread of the Central Texas focus. In East Texas, the trend is east and southeast, threatening Sabine, Jasper, and Newton Counties, Dr. Cox reports.

"The first case of fox rabies in any county is an indication that work needs to be started immediately on control," Dr. Cox said. "You know you're in for trouble."

Fox rabies is six times more prevalent in winter months than in summer, Cox indicated. He added that every fox killed now will save trouble later.

He made the prediction of increased rabies incidence despite the fact that rabies-suspect animals heads autopsied at the health department Bureau of Laboratories in September were fewer than at any time since May.

Dr. Cox said wildlife rabies in most affected areas kills off wildlife to a point where rabies cannot maintain itself. It thus dies out and does not re-appear until the population builds itself up again.

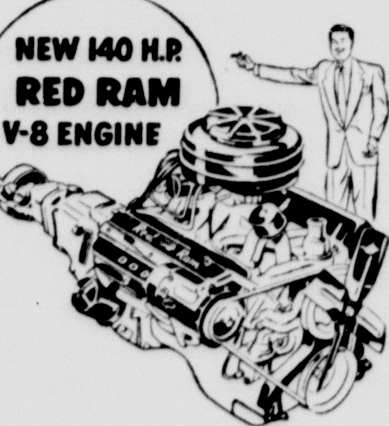

Skunk rabies is prevalent in three separate areas of the state, the health officer said. But the disease is "20 times" more serious in fox than in skunk, he said.

Dean Acheson, U. S. Secretary of State, is under growing pressure from allies to give in to Communists on the prisoner-of-war issue in the hope of getting an early truce in Korea. Mr. Acheson, to date, is resisting.

Robert Cutler, Boston banker, is in line for the job of Secretary of the Treasury if Eisenhower wins. Cutler is emerging as the right-hand man for the General.

A poll in California shows that Republicans feel campaigning by Senator Robert Taft has helped, not hurt, the Eisenhower chances of winning.

Art Exhibition At Museum Draws Biggest Crowds In Many Seasons

The largest crowds since Harold Bugbee's paintings were shown are viewing the exhibition of works of Louis R. Neugebauer, Viennese artist and teacher, and his students at the Panhandle-Plains Historical Society Museum.

A group of 45 oil paintings will remain on display throughout October in the art gallery on the museum's second floor, according to Boone McClure, museum director. Most of the works are typical of the West, and many of the scenes were painted in Palo Duro Canyon.

Twenty-one of the canvases are by Neugebauer, while the remainder are by his students, including Mrs. Clyde W. Warwick of Canyon, Mrs. Reginald Howerton, Mrs. M. Howe, Mrs. Craig, Mrs. M. C. Gunn, Mrs. Elizabeth Nussbaum, Mrs. Barbara Kent, Mrs. Joe Lee Briley, and Mrs. Margaret Shore, Amarillo, Mrs. Helen Pursley and Mrs. Madeline Pursley, Pampa, and Mrs. Jeanette Vanderwork, Adrian.

Especially popular with visitors, according to Dr. Seymour Connor, museum archivist, are Mrs. Nussbaum's "Western Monarch," which shows a lone cowboy gazing over a vast network of colorful canyons, and Mrs. Shore's "Cactus Still Life," a beautiful contrast of violent reds and greens.

Favorite paintings of Neugebauer's with the public seem to be his canvases of Palo Duro Canyon,

Winners Are Announced in Golf Tournament

The City Club golf tournament ended Sunday with all winners being decided. In the championship flight Ross Craig was the winner and he took that place by defeating his son, Albert Craig. The title match went 22 holes.

The winner of the consolation in the championship flight was Denmore Mickle. He defeated Pat Britain to hold on to the upper slot in this flight.

In the first flight the winner was T. H. Knighton who defeated Dan Sanders. The winner of the consolation of the first flight was Rex Reeves who defeated Harold Erwin.

In the second flight Dutch Cleavinger defeated Bud Parker and in the consolation of the second flight Bill Davis defeated Andy Walsh.

The third flight winner was Jimmy Craig who defeated Leroy Wooten in an extra hole match. Tom Lair defeated Bill Knighton for the top slot in the third flight consolation.

Sight-Seeing Trip To Mexico City Planned For Language Students

A 3,000 mile sight-seeing trip to Mexico City is being planned for language students, and others who are interested, during the Thanksgiving holiday, Dr. Ples Harper has announced.

While language students will have priority, Dr. Harper said, a chartered bus for the trip will accommodate 29 persons. The group will leave the campus on November 22 and will return November 30, with a minimum of classes to be missed. Dr. Harper asks those interested to contact him immediately in his office in the Administration Building.

Leaving Saturday, November 22, the group will spend the first night in Laredo, the second night in Valles, Mexico, and the third night in Mexico City. Tuesday, Wednesday, and Thursday will be spent in and around Mexico City.

While in Mexico City, visits will be made to Chapultepec Castle, famed in Mexican history during the Mexican War in 1846 and as the former palace of Emperor Maximilian, Guadalupe Shrine, the Floating Gardens of Xochimilco, the National Palace, and other high points of interest. The group will stay at the Lincoln Hotel, one

block from the Alameda, central part of town. Plenty of time will be allowed for shopping and sight-seeing. A trip is planned to San Juan Teotihuacan (famed Mexican pyramids).

Dr. Harper said that those who wish to go should contact him immediately because a typhoid inoculation is required. There are three shots given, each seven days apart. Dr. Harper's office is Room 216, Ad Building.

Brother and Mrs. Lantrop were with us Sunday.

We were glad to have Mr. and Mrs. Alfred Hamblen and Mr. and Mrs. E. C. Hawes and their grandson of Canyon out to singing Sunday.

Hill Smith visited Sunday in the J. W. Wesley home.

Vesta Amerson entertained the B. T. U. Junior class with a weiner roast and hayride Saturday evening. Those attending were Charlene and Ronnie Wesley, Charlene Sutton, Patricia Patterson, Nan Eayle and Jean Shipman, and Glen Compton. All report an enjoyable time.

The Home Demonstration Club sponsored a "42" party Saturday evening with a good crowd present. Cocoa and cookies were served by the women.

Mr. and Mrs. Gordon Foster are the proud parents of a new baby daughter. She was born in a Tulsa hospital. Mother and daughter are doing fine.

Jackie Paulann and Arti have been staying with their grandmother, Mrs. Frank Rogers.

G. E. Wesley was on the sick list the past week.

A bread demonstration in the Theo Wise home Wednesday was well attended. Eleven women demonstrated different breads and the West Side Club made a nice contribution to the show which we appreciate very much. Ten women from West Side were present.

Mr. and Mrs. J. W. Wesley, Vesta Amerson, Hill Smith and Mr. and Mrs. Lantrop were Sunday visitors in the G. E. Wesley home.

Mr. and Mrs. G. E. Wesley and Lavina Amerson were in the U-marger community Saturday.

FIRE PREVENTION STUDIED BY CUB SCOUTS OF DEN 2 MONDAY

The home of Mrs. E. W. Pettitt was the meeting place for the Cub Scouts of Den 2 Monday afternoon. The meeting opened with the Cubs practicing on their rolling fall and balancing. Games of "pass the top," "put and take," and "hat passing relay" were played.

The Cubs were urged to complete their fire prevention charts and the stunt for Pack meeting was rehearsed.

Refreshments were provided by Mrs. T. C. Harris and were served to Troy Jim Fulcher, Debs Harris, Jimmy Dale Killingsworth, Dewight McGehee, Frankie Joe and Truett O'Donald, Phil Pennington, Eddie Pettitt, Billy and Johnny Shea, James and Ronnie Thrash, and two new members, Jerry Don Kinney and Keith Brock.

DEN 5 CUBS DISCUSS FIRES

Cub Scouts of Den 5 met Monday afternoon in the home of Mrs. John Robinson. Bobby Bellah called the meeting to order by having George Prichard lead the Cubs in the Pledge of Allegiance.

Group study of the day included safety in bombs and fire. After discussion the boys made planes and had a contest flying them.

Those present were Bobby Bellah, George Prichard, Dickie Campsey, Bob Watts, Pat Watts, Tommy Joe Platt, Joe Carroll Robinson, Joel Reese, Weldon Gray, and Dewayne Prichard.

After serving cookies prepared by Mrs. Reese, the den mother dismissed the meeting. The regular pack meeting will be held Monday night.

BAPTIST GIRLS AUXILIARY PRESENTS MOTHERS AT TEA

Members of the Girls Auxiliary of the First Baptist Church presented a G. A. tea to their mothers October 8 in the fellowship hall of the First Baptist Church in order to install new officers for the coming year.

Mrs. T. H. Knighton installed the new officials with an impressive ceremony, explaining to each girl what her duties and responsibilities as a leader would be.

The officers are: Mona Beth Gillham, president; Ann Ford, vice-president; Lynn Atkinson, secretary; Janice Ford, treasurer; Carolyn Glanton, community mission chairman; Frances Pennington, program chairman; Beverly Henson, librarian; Wanda Rogers, chorus leader; Theora Cosby, pianist; Barbara Winters, reporter; and Mrs. Crews Henry, sponsor.

Frances Pennington, the former

chorus leader, opened the meeting with group singing of hymns. With Mrs. Crews Henry presiding over the meeting, each girl introduced her mother to the group.

Mrs. Jack Grundy, secretary for the Young People's department, presented the devotional and then introduced Mrs. Knighton, who then installed the officers.

Refreshments of hot spiced tea, mints of green and white, nuts and green cookies were served. The serving table was laid with a white linen cloth and a centerpiece of white mums and green stars with names of each officer written on them in silver star dust was received by each girl for her own.

Just Between You, Me and ... the Gatepost

(By Lawrence Hunnicutt)

A bit of improvement was noticed on our side of the square last week and that was the painting of the front of the Olympic Theater. It's surprising how a little fresh paint can change the appearance of a place.

Perhaps it's just a prelude to winter but there's a little melancholia attached to the first sight of a bare limb poking out of a tree that recently had a foliage of leaves on it. If you've noticed the tops of the trees lately you've probably seen some of the bare limbs showing up. Maybe it's this change that makes it seem so long from the beginning of autumn to the beginning of winter.

All of those attending the "Old Stove Roundup" kickoff Thursday night certainly enjoyed a delicious steak dinner. Everyone appeared to enjoy the evening in spite of bursting balloons that sounded a lot like pistol shots. There is a rumor that Silas Hart finished eating out there and came down to Eastern Star and did some more eating. The "Old Stove Roundup" people gathered at the Cowboy Cafe where both food and service were simply superb.

This week's excerpt from Miss Joyce Hill's letter gives a short description of the city of Havana, Cuba. She writes, "Sears and Roebuck, Woolworths and TV advertising make it like almost any large city in the United States. There are big plazas offering places for rest and relaxation for the people, for many of them live in such small places that they have no other opportunity to get out into fresh air."

This week's visiting student is Bob Gerner of Lelia Lake. Bob is a six foot, 170 pound senior. He is a chemistry major and last year won an award for being West Texas State College's outstanding chemistry student.

Bob is not only a student at the college but also a business man. He has leased and is operating the Texaco Service Station on Highway 87. He plans to enter the medical profession as a medical doctor and says he will enter pre-med school a short while after being graduated next spring.

Here we are again to that part of the column that appears to be a necessary evil. Perhaps we should change the title just this once from chirps of wisdom to squawks of wisdom. The chirps, or squawks, are somewhat longer but just as full of pep.

A prominent statistician recently stated that there are more than a thousand career women in the United States who have taken up law. We might also inform the brother that there are several other million women in this country who lay it down.

There was a lad named Willie T8 who loved a lass named Annie K8. He asked her if she'd be his m8 but K8 said w8. His love for K8 was very gr8 so he told her it was hard to w8. He begged at once to know his f8 but K8 said w8. Then for a time he grew sed8 but soon he hit a faster g8 and for another m8 went stro8. Now K8 can w8.

One of the most misused words in the English language is the word "little." To be such a small word in the first place, it has quite a number of legitimate uses: Just plain small, for instance. Another fair and square use of the word is that which indicates a short period of time. Or a limited quantity of something.

Then there is its use as an endearing term. And its less pleasant but just as honorable use, meaning "small in nature."

But the one that isn't the least bit fair is a kind of half-breed. It seems to take these last two meanings and mix them into a bitter brew that doesn't do justice to the word that is the hero of this story.

For instance, we heard a woman discuss "those little Jackson girls" for half an hour one day before we figured out whom she was talking about: two grown women, one five feet eight or nine, the other slightly shorter but still a full-grown specimen. Once we got them placed, we figured out what was probably behind the expression: her own daughters were about the same age and some childhood rivalry between the girls must still have rankled.

Another mis-user of the word will say, "Mary had on that little gray dress," when Mary, who tips the scales at 180, couldn't get on a little dress of any color. Still another Mrs. Malaprop will observe, "I hope she enjoys her little trip," when the dear absent one is off to Seattle, Quebec, and perhaps Alaska.

It's as though the slanderers of this versatile word "little" had turned it inside out, and had it

looking at the speaker instead of the spoken-about.

Red, White And Blue

Are you the youth of today? If so, your nation may be conquered if you do not uphold honor, wisdom, and the spirit of truth.

The American flag should hold a warm, secure spot in the heart of every American.

"Red is for the blood that was shed by our manhood. Proudly they answered the nation's call, and upheld the honor of freedom's name." These are lines taken from "America the Beautiful" but they are something more than just lines. Not every person is able to do the physical part for his country in the time of war, but everyone can answer the nation's call. Honor and loyalty are just as important at home as they are on the bloody grounds of the battle front. Donations of blood and buying of savings bonds would help a great deal, don't you think?

"White for the purity shining afar, gleaming in stripes, and in each lovely star,

Soul of a nation whose freedom and beauty

Awaken each heart called to duty." Freedom is handed to Americans today on a silver platter, but it was also Americans who fought for and won it.

"White for the purity shining afar."

"Awakened each heart to duty." Freedom is purity, and purity shines for and sinks deep into the minds of men. The young men of our nation realize this and know what they are fighting for when their hearts are called to duty.

"Blue: Symbol bright of American youth. Of honor, wisdom, the spirit of truth."

American youth is one of the most precious freedoms in the world today. The right to be free and young and happy is cherished by Americans.

This privilege is not enjoyed everywhere in the world, and the people of our nation are struggling to preserve this freedom. The freedom of the nation in the future depends upon the youth of today.

TOLERANCE VS. PREJUDICES

What is your opinion of anyone sitting about you today?

Don't say anything until you have a chance to think about it. Do you really know that person? Do you know his good points as well as his bad?

Don't form your opinion before you really get a chance to know him. One is just as good as another whether he dresses differently from you, goes to a different church, or has friends that you might not have chosen. Give him a chance to prove what he really is before you form an opinion. Use tolerance instead of prejudice.

If we, the students of Canyon High School, are to live up to the standards we have set thus far, we must learn to be tolerant and forget prejudices.

Seniors Treat Freshmen With Coke Party in Cafeteria Friday

After treating the freshmen in a rugged manner, the seniors used the pennies collected for fines and entertained them with a coke party Friday the 17th in the cafeteria of the high school building.

John Miller represented the senior class in telling them the seniors as a whole hoped that there were no hard feelings and that they had not been too hard on them.

He also expressed his appreciation for the good sportsmanship shown by the freshmen and hoped that they had enjoyed it.

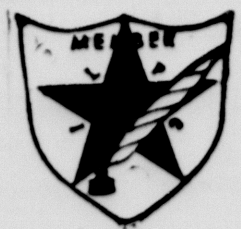

Cokes were served to all. Hubert Green as a representative of the freshman class assured their upperclassmen that they had enjoyed the fun and no hard feelings claimed.

"My country is tired of me. I'm going to Germany To serve the king. I'll eat their sauerkraut. I'll walk down the streets and shout" ???

Nobody knows what the next verse was because she refused to sing it from her perch on the top of a banister in front of the CHS building.

What are we talking about?

Freshman initiation, naturally! Who? One "slimy fish." Her senior sister threatened her with all kinds of punishment, but it was impossible to make her finish. There was one freshman who had rather pay the "consequences."

The ghastly aroma of limburger cheese, garlic, and "Blue Waltz" contaminated the air of ole' CHS during the freshman initiation last week. Ole Cal finally staggered through the halls to the front door where he found "beauties" doing the "hulla" on top of the banisters of the front steps.

It did not pay for the freshmen to give the seniors "pepper gum" because it seems as though they had to chew it themselves.

"My senior sister is the sweetest girl in the world." "I am a slimy fish," and "My senior brother is the most handsome of all!" These are typical of the signs worn on the backs of freshmen boys and girls. The initiation was enjoyed by everyone in the student body including the freshmen. Isn't that right freshmen?

TAKE TIME

"Take time to WORK—it is the price of success.

Take time to THINK—it is the source of perpetual youth.

Take time to READ—it is the fountain of wisdom.

Take time to be FRIENDLY—it is the road to happiness.

Take time to LAUGH—it is the music of the soul.

Take time to DREAM—it is hitching your wagon to a star.

Take time to GIVE—it is too short a day to be selfish.

Take time to LOVE AND BE LOVED—it is a God-given privilege.—The War Whoop.

Filibuster! Freshmen Suffer Two Days By Upperclassmen's "Fish" Initiation

Filibuster! And all the freshmen bite the dust! The seniors of ole' CHS welcomed the freshmen into our student body October 16-17 with an initiation ceremony.

Oh brother! What a ceremony it was too. Freshmen boys and girls swaggered through the halls in ungodly garbs in which their own parents would not recognize them. Everything from mouse traps in hair to paper sacks on feet was worn. The girls had a terrible time with their hair. Half of it set in rags, rat traps, clothes pins, ribbons, bobby pins, and the other half uncombed in tiny braids all over the head.

Once brilliant faces were smeared with red lipstick, chlorophyll toothpaste, rouge, and mascara. Pajamas were worn inside and outside of other garments such as shorts, long dresses, short dresses, toe socks, and long flannels. Ink all over legs in splotches and smears carried the eye on down to paper sacks for shoes. One high heel and one low heel with clashing socks led to ribbons tied around toes and maybe even no shoes at all.

As walking through the crowded halls with freshmen sprawled flat on the floor, I noticed that one girl was having a terrible time carrying a senior's books in a doll carriage and trying to keep a bird cage clapped down over her head during a filibuster.

At noon both boys and girls had to sing, preach, and do the "hulla" on the front steps of the building. Foot races, pushing pencils and balls of chewing gum down streets and stairs was a hard job, I bet, and slightly hard on the hands and knees. "Alms for the poor," "Eagles, Eagles, fight," "My country's tired of me," and "Goodnight, Irene," rolled through the contaminated air.

Kids of all descriptions were seen getting autographs on eggs and proposals by the dozens.

The general rules of the initiation were to bring candy for seniors, penny fines from every "fish" who did not speak to a senior, an extra cheery "hello" to every upperclassman, and when "filibuster" was yelled every freshman had to hit the dirt and stay there until "all clear" was heard. Also there was supposed to be no communication between "frosh" boys and girls.

Dimmitt B Downs Canyon B Squad

Canyon Eagles' "B" gridiron crew was downed by the Dimmitt Bobcats by a score of 22-13 at Buffalo Stadium Thursday.

The Eagles held the Bobcats during the first half, but they slipped ahead during the last half of the game. Dimmitt's tallies were made during the first, third, and fourth quarters. Only two of the extra points were made. Canyon's touchdowns were made during the first and fourth quarters. Only one of the extra points was made. Jimmy Golden and Jamie Airhart made the touchdowns for Canyon. Larry Stroup made the extra point.

Eagle Beavers

What would you do if you met a Bechuana on a dark, lonesome, shadowy cowtrail at midnight?

This is a question asked high school students last week. The answers are very good in some instances, and we leave the rest to you.

Grace Sheets—Scream and run Joe Dickenson—I'd run. Miss Neelley—I'd run, too. Johnette Weeks—Beat him over the head.

Buddy Thompson—Tell him about all the snooty girls at school Rae June Cabe—I'd faint! Nora Dell Ruthart—Die of fright Lynn Williams—Tell him about the Dalhart football team.

Barbara Glanton—I'd probably scream and then climb the nearest tree.

Lawrence Hermesmeier—You shouldn't be out at midnight. Peggy Bonds—Stand and look at it.

Laura Smith—Hug his neck, I guess.

Sue Kinney—I'd turn myself wrong-side out gettin' out of there.

A Bechuana is a member of one of the Bantu tribes dwelling between the Orange and Zambezi Rivers, Africa.

Some U. S. Senators are eying the sale by Britain of sizable blocks of U. S. securities, with unsettling effect on the stock market. The opinion is being heard that if the British have large holdings in the United States then they may be less in need of aid than Congress has been led to believe.

The demand for a union shop by 17 non-operating railroad unions rejected by Western and South-eastern railroads.

J. E. Miller Attends Principal's Meeting

Principal James E. Miller attended the annual meeting of the Secondary School Principal's Association in San Antonio October 19, 20, and 21.

A business meeting was held Sunday night, October 19. This was called for the purpose of arranging the meeting place for next year.

Registration started Monday morning and continued until the first general session. Immediately following this first session, the administrators went to workshops. Attendance to these meetings depended upon the size of the school represented. A workshop for the Junior High School principals was also conducted.

W. O. Pipes, president of the association, was in charge of the conference.

CHS Classes Choose Carnival Candidates

"Who do you want for your Halloween Queen candidate?" This has been the general "buzz" on the CHS campus the past week.

All classes were to have their candidates with their escorts chosen by Friday, October 17, which are as follows: Elvira Boyd received the honor of being chosen by the senior class. Elvira selected Ogden Boothe as her escort. Billie Graham, whom the juniors selected to run for them, will be escorted by Joe White.

Bettie Glanton received the highest number of votes from the sophomore class, and selected Joe Dickerson as her escort.

Ruby Yarborough will represent the freshman class, and Hubert Green will escort her.

The annual Halloween carnival will be held in the Canyon Grade School Gym on the eve of October 30. At 9:30 all votes must be in, and the candidate receiving the highest number of votes will be crowned queen in the coronation ceremony held in the high school auditorium at 10 o'clock.

Persons participating in this event other than the queen, her attendants, and the escorts, will be Ralph Green, master of ceremonies, and others as follows: Grace Sheets will represent the journalism class with Ken Kuykendall escorting her. Frances Cunningham will be escorted by Lawrence Hermesmeier in representation of the annual staff.

Childhood Memories Is CHS Band Show

A "Childhood Memories" show was presented by the Canyon High School Band Friday night, October 17, during the half-time of the Memphis-Canyon ball game.

The band emerged from the south goal after playing a fanfare. The march consisted of "London Bridge," "Mary Had a Little Lamb" and "Farmer in the Dell."

After a counter-march the bandsters went into four formations. The first, a star, and "Twinkle, Twinkle, Little Star," was played. "Hickory, Dickory, Dock" was the background music for a clock formation and "Old King Cole" for the third formation, a fiddle with a real, moving bow. The final scene was a baby crib while the band played "Rock-a-baby."

The band left the field to the tune of "Queen City."

The Memphis High School Band also performed at half-time.

GAMBLERS

The Internal Revenue Bureau charges that gamblers are hiding their real activities and evading the Federal tax on their business by "taking over" local chapters of tax-exempt, non-profit national organizations.

No home is complete without children and it seldom stays that way with them.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Cyclones Circle CHS Eagles 7-0

Canyon Eagles were defeated by the Memphis Cyclones by a score of 7-0 Friday evening at Buffalo Stadium before 1500 cheering fans.

The Eagles held the favored Cyclones scoring through the first three quarters. During the fourth quarter, Duane Miller scored the only touchdown of the game. Miller ran 51 yards and thrust over left guard for the touchdown. He made the extra point with the same play that brought the touchdown. The Eagles had a score but lost it because of illegal use of hands on the offense. R. A. Burgess passed 34 yards to Tom Middleton early in the third quarter. Middleton ran the remaining 45 yards for a tally which was not counted.

This defeat sets the Eagles' season's record at two wins, two losses, and one tie. The Cyclones record stands at five wins, no losses, and one tie.

THEORY TESTED

Conservative—So, you believe in dividing everything up, do you?

Socialist—Yes.

Conservative—Would you be willing to give me half your cows?

Socialist—Yes, most certainly.

Conservative—Would you give me half your chickens?

Socialist—No, that's different.

Conservative—What's the difference?

Socialist—Why, I have chickens but I ain't got no cows.

DRAFT REJECTIONS

The draft rejection rate has increased to almost 42 per cent during the Korean War—six per cent above World War II levels — although physical standards are about the same. According to Selective Service officials, 1,128,000 of the 2,700,000 men ordered to report for induction since August, 1950, have been rejected on physical, moral or mental grounds. Most of the rejectees were young men.

NOT SO BAD

An old farmer was moody regarding the ravages of the flood.

"Hiram, your pigs are all washed down the creek," a neighbor told him sympathetically.

"How about Flaherty's pigs?" asked the farmer.

"They're gone, too."

"And Larsen's?"

"Yes."

"Humph," ejaculated the farmer, cheering up. "Ain't as bad as I thought!"

FARM INCOME

While in some sections of the nation, farm income showed a larger increase, for the country as a whole, farmers earned only 15 per cent more in 1951 than they did in 1950. However, farm prices for the current year are showing a tendency to dip.

WALLS HAVE EARS

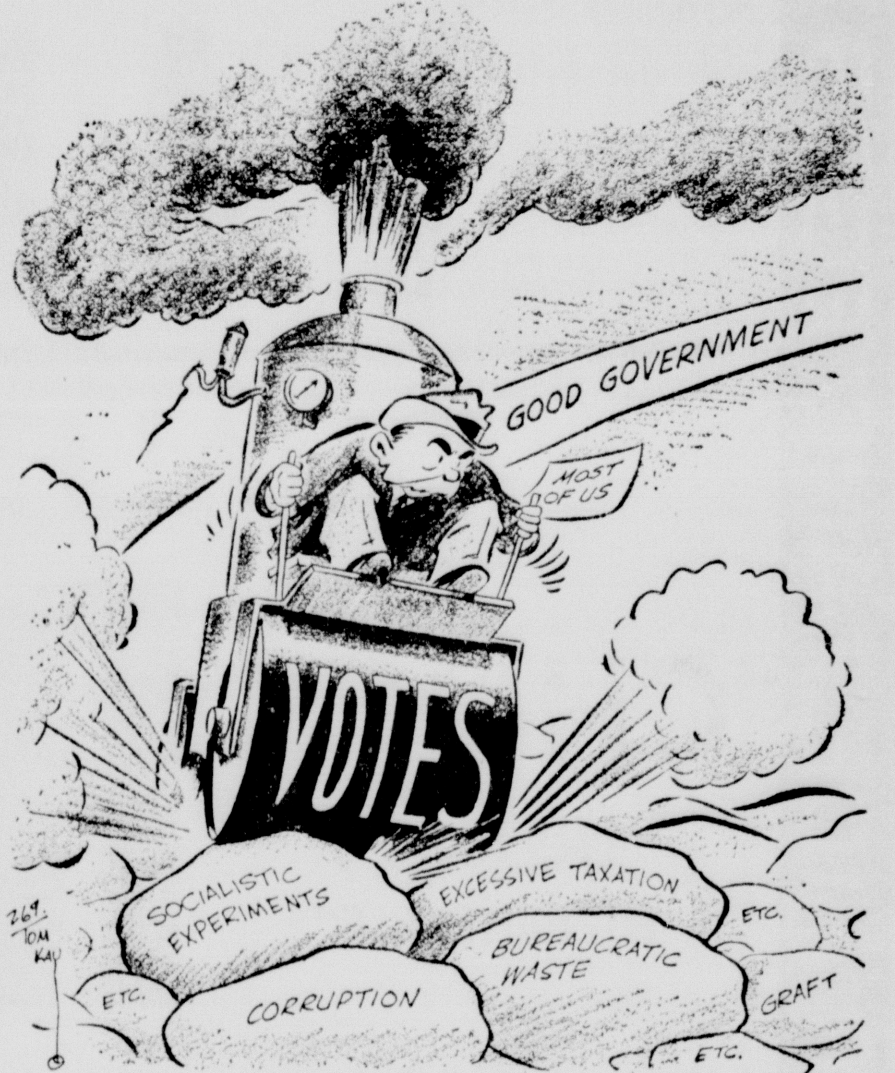

They were entertaining friends in their new prefabricated home. Suddenly one of the guests sat up and listened.

"Surely not mice," replied the householder. "That's the people next door eating celery."

85-TON GUN

The Army has revealed that it has a 85-ton gun, which is capable of hurling an atomic missile, or an 11-inch shell at least 20 miles. No atomic shells have been fired so far, however.

THE AMERICAN WAY

A Needed Steam Roller

Deliveries of defense items are now running at an \$8,000,000,000 quarterly rate compared with \$1,200,000,000 at the outbreak of the Korean war.

PROGRESS

The man who used to enjoy looking through the family album now has a grandson who likes to show his colored films.
